Burn — Ellie Goulding On Voice Choir

We, we don't have to worry bout nothing
'Cause we got the fire, and we're about to start something
They, they gonna see us from outer space, outer space
Light it up, like we're the stars of the human race, human race
When the lights turned down, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky

'Cause we got the fire, fire, fire, yeah we got the fire fire fire
And we're gonna let it burn burn burn burn
We're gonna let it burn burn burn burn
We're gonna let it burn burn burn burn
We're gonna let it burn burn burn burn
We can light it up up up
So they can put it out out out
We can light it up up up
So they can put it out out out
Cause we got the fire
We can light it up up up
So they can put it out out out
We can light it up up up
So they can put it out out out
And we're gonna let it burn

Help A Child Belong

One single Voice cries out in the night
Longing for a family, a future that looks bright
Given the chance who wouldn't want the same?
A need to fit in. somewhere, a place that you can claim.

But sometimes its better not to dream,
Sometimes your on your own
Everyone needs a chance to dream
Everyone needs a home

**To be heard is all we're asking
With one single voice
Take a chance on someone
With one simple choice
Cos everyone has dreams
Every heart a song
Make a difference & help a child belong**

Think of how you'd feel if a sudden change in life
Caused the people that you love to not be by your side
I know it may be hard but imagine if you can
Thousands of children out there, who need a helping hand

But sometimes its better not to dream,
Sometimes your on your own
Everyone needs a chance to dream
Everyone needs a home

**To be heard is all we're asking
With one single voice
Take a chance on someone
With one simple choice
Cos everyone has dreams
Every heart a song
Make a difference & help a child belong
Aah Aah Aah
Aah Aah**

Be the change in a child's life
Give support give time
Nothing can beat watching a child shine.....

**To be heard is all we're asking
With one single voice
Take a chance on someone
With one simple choice
Cos everyone has dreams
Every heart a song
Make a difference & help a child belong**

Make a difference & help a child belong

High Hopes – Panic At The Disco

ALL

**Had to have high, high hopes for a living
Shooting for the stars when I couldn't make a killing
Didn't have a dime but I always had a vision
Always had high, high hopes
Had to have high, high hopes for a living
Didn't know how but I always had a feeling
I was gonna be that one in a million
Always had high, high hopes
Mama said
Fulfill the prophecy
Be something greater
Go make a legacy
Manifest destiny
Back in the days
We wanted everything, wanted everything
Mama said
Burn your biographies
Rewrite your history
Light up your wildest dreams
Museum victories, everyday
We wanted everything, wanted everything**

Make Your Own Kind of Music – Paloma faith

Nobody can tell you
There's only one song worth singing
They may try and sell you
'Cause it hangs them up
To see someone like you
But you gotta

**Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along**

You're gonna be nowhere
The loneliest kind of lonely
It may be rough going
Just to do your thing is the hardest thing to do
But you gotta

**Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along**

So if you cannot take my hand
And if you must be going, I will understand
'Cause You gotta

**Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along**

Oh you gotta

**Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along**

Nothing's Gonna Stop Us Now - Starship

Looking in your eyes I see a paradise
This world that I've found is too good to be true
Standing here beside you, want so much to give you
This love in my heart that I'm feeling for you

Let 'em say we're crazy, I don't care about that
Put your hand in my hand baby don't ever look back
Let the world around us just fall apart
Baby we can make it if we're heart to heart

**And we can build this dream together
Standing strong forever
Nothings gonna stop us now
And if this world runs out of mothers
We'll still have each other
Nothing's gonna stop us
Nothing's gonna stop us now**

I'm so glad I found you, I'm not gonna lose you
Whatever it takes I will stay here with you
Take it to the good times, see it through the bad times
Whatever it takes here's what I'm gonna do

Let 'em say we're crazy, what do they know
Put your arms around me baby don't ever let go
Let the world around us just fall apart
Baby we can make it if we're heart to heart

**And we can build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of mothers
We'll still have each other
Nothing's gonna stop us
Nothing's gonna stop us
Oh, all that I need is you
All that I ever need
And all that I want to do
Is hold you forever, and ever and ever**

Instrumental

**And we can build this dream together
Standing strong forever
Nothings gonna stop us now
And if this world runs out of Mothers
We'll still have each other
Nothing's gonna stop us now**

**And we can build this dream together
Standing strong forever
Nothings gonna stop us now
And if this world runs out of Mothers
We'll still have each other
Nothing's gonna stop us now**

**And we can build this dream together
Standing strong forever
Nothings gonna stop us now
And if this world runs out of Mothers
We'll still have each other
Nothing's gonna stop us
Nothing's gonna stop us now**

So Am I – Ava Max

Do you ever feel like a misfit?
Everything inside you is dark and twisted
Oh, but it's okay to be different
'Cause baby, so am I
(So am I, so am I, so am I-I-I-I-I)

Can you hear the whispers all across the room?
You feel her eyes all over you like cheap perfume

You're beautiful, but misunderstood
So why you tryna be just like the neighborhood?

I can see it, I know what you're feelin'
So let me tell you 'bout my little secret

I'm a little crazy underneath this
Underneath this

**Do you ever feel like a misfit?
Everything inside you is dark and twisted
Oh, but it's okay to be different
'Cause baby, so am I
(So am I, so am I, so am I)**
**Do you ever feel like an outcast?
You don't have to fit into the format
Oh, but it's okay to be different
'Cause baby, so am I
(So am I, so am I, so am I-I-I-I-I)**

Oh so, dressed so fancy like Sid and Nancy (Yeah)
Walkin' Killer Queen, u gotta keep 'em guessin'
So baby come pass me a lighter
We're gonna leave 'em on fire
We're the sinners and the blessings

I can see it, I know what you're feelin'
So let me tell you 'bout my little secret
I'm a little crazy underneath this
Underneath this, ooh

**Do you ever feel like a misfit?
Everything inside you is dark and twisted
Oh, but it's okay to be different**

'Cause baby, so am I

(So am I, so am I, so am I)

**Do you ever feel like an outcast?
You don't have to fit into the format
Oh, but it's okay to be different**

'Cause baby, so am I

(So am I, so am I, so am I-I-I-I-I)

Ah Ah Ah You're king and you're queen

You're strong and you're weak

You're bound but so free

(Ah-ah-ah)

So come and join me

And call me Harley

And we'll make a scene

**Do you ever feel like a misfit?
Everything inside you is dark and twisted
Oh, but it's okay to be different**

'Cause baby, so am I

(So am I, so am I, so am I)

**Do you ever feel like an outcast?
You don't have to fit into the format
Oh, but it's okay to be different**

'Cause baby, so am I

(So am I, so am I, so am I-I-I-I-I)

The Champion – Carrie Underwood

**I'll be the last one standing
Two hands in the air, I'm a champion
You'll be looking at me when it's over
I live for the battle, I'm a soldier, yeah**

Put you flat on your back like Ali
I'm the greatest, I'm stronger
Paid my dues, can't lose, Imma own ya, ay**

And now it's do or die**

**I am invincible, unbreakable
Unstoppable, unshakeable
They knock me down, I get up again
I am the champion. You're gonna know my name
You can't hurt me now I can't feel the pain
I was made for this, yeah, I was born to win
I am the champion**

When they write my story
They're gonna say that I did it for the glory
But don't think that I did it for the fame, yeah
I did it for the love of the game, yeah
And this is my chance I'm taking
All them old records I'm breaking
All you people watching on the TV
You go ahead and put your bets on me, Hey

I've been waiting my whole life

To see my name in lights

**I am invincible, unbreakable
Unstoppable, unshakeable
They knock me down, I get up again
I am the champion You're gonna know my name
You can't hurt me now I can't feel the pain
I was made for this, yeah, I was born to win
I am the champion,**

oh

Born champion, Luda

The C is for the courage I possess through the drama

H is for the hurt but it's all for the honor

A is for my attitude working through the patience

Money comes and goes so the M is for motivation

Gotta stay consistent, the P is to persevere

The I is for integrity, innovative career

The O is optimistic, open and never shut

And the N is necessary 'cause I'm never giving up

See they ask me how I did it, I just did it from the heart

Crushing the competition, been doing it from the start

They say that every champion is all about his principles

VIAM

I am invincible, unbreakable

Unstoppable, unshakeable

They knock me down, I get up again

I am the champion You're gonna know my name

I was made for this, yeah, I was born to win

I am the champion

Try Everything - Shakira

I messed up tonight
I lost another fight
I still mess up but I'll just start again
I keep falling down
I keep on hitting the ground
I always get up now to see what's next
Birds don't just fly
They fall down and get up
Nobody learns without getting it wrong
**I won't give up, no I won't give in
Till I reach the end
And then I'll start again
No I won't leave
I wanna try everything
I wanna try even though I could fail
I won't give up, no I won't give in
Till I reach the end
And then I'll start again
No I won't leave
I wanna try everything
I wanna try even though I could fail
Oh oh try everything**
Look how far you've come
You filled your heart with love
Baby you've done enough that cut your breath
Don't beat yourself up
Don't need to run so fast
Sometimes we come last but we did our best
**I won't give up, no I won't give in
Till I reach the end And then I'll start again
No I won't leave I wanna try everything
I wanna try even though I could fail
I won't give up, no I won't give in
Till I reach the end And then I'll start again
No I won't leave I wanna try everything
I wanna try even though I could fail**
I'll keep on making those new mistakes
I'll keep on making them every day
Those new mistakes
**Oh Oh Oh Oh Oh , try everything Oh Oh Oh Oh Oh , try everything
Oh Oh Oh Oh Oh , try everything Oh Oh Oh Oh Oh , try everything**

Unstoppable Sia Furler

All smiles, I know what it takes to fool this town
I'll do it 'til the sun goes down and all through the night time

Oh yeah,
oh yeah, I'll tell you what you wanna hear
Leave my sunglasses on while I shed a tear
It's never the right time, yeah,

I put my armor on, show you how strong how I am
I put my armor on, I'll show you that I am

**I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game
I'm so powerful
I don't need batteries to play
I'm so confident, yeah, I'm unstoppable today
Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today**

Break down, only alone I will cry out now
You'll never see what's hiding out
Hiding out deep down, yeah,

I know, I've heard that to let your feelings show
Is the only way to make friendships grow
But I'm too afraid now, yeah,

I put my armor on, show you how strong how I am
I put my armor on, I'll show you that I am

**I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game
I'm so powerful
I don't need batteries to play
I'm so confident, yeah, I'm unstoppable today
Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today**

Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today
I put my armor on, show you how strong how I am
I put my armor on, I'll show you that I am

I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game
I'm so powerful
I don't need batteries to play
I'm so confident, yeah, I'm unstoppable today
Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today
Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today

Walk Me Home - Pink

There's something in the way you roll your eyes
Takes me back to a better time
When I saw everything is good
But now you're the only thing that's good
Tryna stand up on my own two feet
This conversation ain't comin' easily
And darling, I know it's getting late
So what do you say we leave this place?

**Walk me home in the dead of night
I can't be alone with all that's on my mind
So say you'll stay with me tonight
'Cause there is so much wrong going on outside**

There's something in the way I wanna cry
That makes me think we'll make it out alive
So come on and show me how we're good
I think that we could do some good,

**Walk me home in the dead of night
I can't be alone with all that's on my mind,
So say you'll stay with me tonight
'Cause there is so much wrong going on outside
Ooh-oooh oo oo oo,
Ooh-oooh ooh, ooh-oooh oo oo**
Walk me home in the dead of night
'Cause I can't be alone with all that's on my mind
Say you'll stay with me tonight
'Cause there is so much wrong going on

**Walk me home in the dead of night
I can't be alone with all that's on my mind
So say you'll stay with me tonight
'Cause there is so much wrong
There is so much wrong
There is so much wrong going on outside**

Don't Give up on Me

**I will fight
I will fight for you
I always do until my heart
Is black and blue
And I will stay
I will stay with you
We'll make it to the other side
Like lovers do
I'll reach my hands out in the dark
And wait for yours to interlock
I'll wait for you
I'll wait for you
'Cause I'm not givin' up
I'm not givin' up, givin' up
No, not yet
Even when I'm down to my last breath
Even when they say there's nothin' left
So don't give up on
I'm not givin' up
I'm not givin' up, givin' up
No, not me
Even when nobody else believes
I'm not goin' down that easily
So don't give up on me
And I will hold
I'll hold onto you
No matter what this world'll throw
won't shake me loose
I'll reach my hands out in the dark
And wait for yours to interlock
I'll wait for you
I'll wait for you
'Cause I'm not givin' up
I'm not givin' up, givin' up
No, not yet
Even when I'm down to my last breath
Even when they say there's nothin' left
So don't give up on
I'm not givin' up
I'm not givin' up, givin' up
No, not me**

**Even when nobody else believes
I'm not goin' down that easily
So don't give up on me
Whoa, whoa
Whoa, whoa
Yeah, yeah, yeah,
Oh yeah yeah, yeah,**

**I will fight for you
I always do until my heart
Is black and blue**
