Dear Parents and Carers,

School re-opening to all pupils on Monday, 8th March 2021

At last this week we have had confirmation from the government of the news so many of us have been waiting for – **school is reopening fully to all pupils on Monday, 8th March 2021**. Schools have received an additional guidance document and further guidance on specific issues is still arriving on a daily basis. It seems that the general principle is to continue doing what we did in the autumn term, which is good news.

I will be exploring the guidance more fully this week and updating our risk assessments accordingly. I will also be reviewing how we operated in the autumn term and looking into anything that can be improved so that school life is as full as possible within the permitted guidelines.

I will write to you again as soon I can with our full plans and details of drop offs, pick ups, PE days etc. for individual classes but I am not anticipating any major changes.

We are really looking forward to seeing everyone back in school on Monday, 8th March 2021!

Yours faithfully,

Mr R. Leigh
