

BEREWOOD PRIMARY SCHOOL

Off Site and Residential Activities Policy

Spring 2021

Revised by School	January 2021
Responsible Person	Ricky Leigh (headteacher)
Responsible Committee	Standards and Curriculum
Ratified by GB	February 2021
Next Review	Autumn 2022

BEREWOOD PRIMARY SCHOOL

A distinctive vision

At Berewood Primary School we see education as a journey of discovery to fire the imagination, to establish a sense of self, and to gain the confidence to take full part in the wider world.

An ethos of local partnership

Berewood Primary School and the University of Chichester Academy Trust share the belief that education has the power to transform society. Our school is deeply rooted in its locality and encourages the involvement and interest of parents and the community, recognising that strong and vibrant communities have partnership and inclusion at their heart.

OFF-SITE AND RESIDENTIAL ACTIVITIES POLICY

Introduction

At Berewood Primary School we believe that pupils derive great educational benefit from taking part in visits with their classmates as part of their curricular provision. Such visits may include residential activities, environmental studies, sports, curriculum based studies, physical and cultural activities. They enrich our children's experiences and deepen their understanding of events, places and people, and help to meet the schools aims. In particular:

- To encourage the development of the whole child

- To encourage the enquiring mind and promote opportunities to develop new skills and knowledge
- To use every opportunity to engender an appreciation of what is beautiful and worthwhile, both within the classroom and in the wider context of the school.

The value of off-site activities is well recognised by the Governing Body. The Educational Visits Co-ordinator (EVC) reports to the full Governing Body at least once each year, ensuring that the culture of safety is maintained and the need for careful planning and adherence to statutory procedures is secured. Off-site visits are well managed, information is communicated and responsibilities recognised.

Legal requirements

This policy document supplements and follows the guidance and advice contained within the following publications:

- Hampshire County Council's Regulations for Educational Visits and the use of EVOLVE and national Guidance: March 2013. See: <http://www3.hants.gov.uk/outdoor-education>
- Departmental advice on health & safety for schools, regularly updated. See: <http://www.education.gov.uk/aboutdfe/advice/f00191759/departamental-advice-on-health-and-safety-for-schools/key-points>
- Department for Education advice on 'Legal Duties and Powers For Local Authorities, school leaders, school staff and governing bodies, available at: <http://media.education.gov.uk/assets/files/pdf/h/dfe%20health%20safety%20advice%20181212.pdf>
- The Health and Safety Executive statement: "School Trips and Outdoor Learning Activities – Tackling the Health & Safety myths available at: <http://www.hse.gov.uk/services/education/school-trips.pdf>

All above documents are available from the EVC and on EVOLVE.

The Management of Health and Safety at Work Regulations 1999, made under the 1974 Act, require employers to:

- Assess the risk of activities
- Introduce measures to control those risks
- Tell their employers about these measures

Duties that apply to all school visits and are under the Health and Safety Legislation state that employees must:

- Take reasonable care of their own and other's health and safety
- Co-operate with their employers over safety matters
- Inform the employer of any serious risks

Roles and Responsibilities

The Governing Body must satisfy itself that the appropriate procedures, risk assessments and control measures are in place and that the documented guidance notes are being followed. All off-site visits that are residential or hazardous must be approved by the Governing Body and such approval recorded in the minutes.

The Head teacher is delegated by the Governing Body to approve all off-site educational visits of a perceived low risk, local, daily or regular nature. This is recorded through the Evolve website. Furthermore she will:

- Ensure adequate child protection procedures are in place
- Approve the group leader for every visit, ensuring that they have experience in supervising the age groups going on the visit and will organise the group effectively
- Ensure that CRB or DBS disclosures are in place where necessary
- Plan and prepare the Emergency Plan

The Educational Visits Co-ordinator is the head teacher. He is responsible for ensuring that all off-site activities follow the correct procedures. The EVC will:

- Approve the group leader for every visit, ensuring that they have experience in supervising the age groups going on the visit and will organise the group effectively
- Monitor the written risk assessments to ensure good practice
- Support the group leader in identifying the purpose for the visit and the selection, training and briefing of appropriate supervising adults and volunteer helpers, including the use of mobile phones.
- Ensure that Vetting & Barring Scheme / Criminal Records Bureau disclosures are in place where necessary
- Arrange an Emergency Contact Duty Officer and draw up proper procedures to be followed in such an event.
- Keep records and make reports of accidents and “near misses”
- Review and regularly monitor procedures
- Liaise with the Outdoor Education Adviser where necessary to ensure the proposed visit complies with the HCC policies for Learning Outside the Classroom.
- Training needs have been assessed by a competent person and the needs of the staff and pupils have been considered.
- Non-teacher supervisors on the visit are appropriate people to supervise children
- The pupil : adult ratio is appropriate (Years R- 3, 6:1; Year 4-6, 10-15:1)
- The LA and Governing Body (for hazardous, and residential visits), and / or Head teacher has approved the visit
- All documentation is in place, with an agreed itinerary and contact numbers
- All documentation is regularly monitored
- Consent forms have been completed
- Adequate first aid provision is available
- Appropriate arrangements for medical needs and special educational needs have been implemented

- All visits are evaluated and reviewed for safety and curriculum issues
- Lists of all adults and pupils on the trip are available to the school contact, the group supervisors and group leader

The Group Leader is responsible for identifying the purpose of the visit and following the procedures outlined in Evolve. A risk assessment is necessary for all off-site visits. Significant risks and their control measures will need to be recorded and attached to the EVOLVE visit form. This will take account of:

- Generic risks as published in this document and the HCC Regulations for Educational Visits and the use of EVOLVE and Section B (Adventurous Activities) of the Regulations & Notes of Guidance for Off-site Activities 2007.
- Event Specific Risks as identified from a pre-visit or thorough knowledge or experience of the environment, accommodation, the leader's competence, the group and other factors such as transport.
- On-going risks identified by the professional staff responding to changing circumstances and the success of planned activity and procedures. The participants and staff will be fully briefed on the purpose and the risk assessment control measures

The group leader must ensure that:

- The Head teacher's approval for the visit has been given
- The LA guidelines and school policy is followed
- A pre-visit to the site has been undertaken, where the venue is being used for the first time, and subsequently as necessary
- Child protection issues are addressed
- A full risk assessment has been completed and all necessary measures put into place
- All supervisors are fully aware of what the proposed visit involves and all risk assessments
- Parents are informed of the visit in order for them to make an informed decision on whether their child should go on the trip or not
- All planning and preparation for the visit, including briefings, is completed
- A deputy is appointed
- The Evolve website documentation is completed and a copy given to the school contact and each group supervisor as required
- Group lists, medical forms and consent forms are completed and available on the visit
- Arrangements for medical needs and special educational needs have been implemented
- Group supervisors roles are clearly defined and all tasks assigned
- The ratio of adult to child is appropriate
- All supervisors have the school contact information and emergency procedures
- First aid provision is in place
- Plan B has been considered
- All SEN, music, office and other staff are informed of times of visits which will affect other provision
- Timely notification for parents ordering school dinners has been given
- The school diary is up-to-date with visit dates and times
- A financial account and costs for the trip have been made
- All children know what is expected of their behaviour during the educational visit.

The Office Staff are available to support the administration of an educational visit, and will keep account of monies collected. Copies of letters sent and permission slips are available electronically and can be up-dated by administrative staff. The school has a separate policy on charging for activities, which also applies to educational visits.

The pupils are encouraged to consider risks involved in an off-site educational activity and to assist in the design of appropriate risk management strategies that support their learning. They will be fully aware of the purpose of the visit and understand expectations of behaviour.

Accompanying adults will be expected to support all pupils in their designated group, and will be informed of emergency procedures and risk assessments. The school does not support additional people accompanying educational visits who are not pupils of the school or part of the agreed staff complement. This may include family members accompanying the visit if the Governing Body is not satisfied that there is an educational benefit for the pupils.

Guidance Notes for Off-Site Educational Visits

To ensure proper good practice and compliance with the necessary regulations it is expected that:

All group leaders will familiarise themselves with the published advice and guidance. Further information is available from the Evolve web-site (www.hampshireoutdoors.com). Training for group leaders will be arranged to include all aspects of supervision, ongoing risk assessments (including being prepared to stop an activity that has become too hazardous) and how to deal with an emergency. Access to such training is also available through the Outdoor Education Office.

In order to plan an off-site activity the EVC should be involved in discussing plans at an early stage. Routine or local visits such as games matches need to be planned ahead also. It may be possible to approve a series of events on a termly basis. No financial commitment should be agreed until all relevant approvals have been achieved.

Parental Consent: The school requires all parents to complete an annual consent form for local trips and visits that do not include use of transport or have a raised level of risk. Specific consent is sought for all additional off-site visits. Copies of pupils' emergency contacts must be available for the Emergency Contact and the Group Leader to take on the visit.

Evolve Visit form: An Evolve visit form must be completed on line for all residential visits and for those that are either visits abroad or for adventurous/hazardous pursuits. Out of county visits are also required to use this system. The form will need to be submitted to, and approved by, the Head of Establishment (or EVC) one month in advance and certainly before becoming financially committed. These types of off-site activity also need the Governing Body's approval. School Journey Insurance is covered by the arrangements in place as an Academy within the University of Chichester Academy Trust. Off-site group leaders should

check to see if such cover is already being provided by a tour operator, or external provider. A refund may be possible.

Evaluation Report: On return the Group Leader must report to the EVC and, where necessary, an evaluation report should be completed in order to achieve any learning about a 'near miss' or where an incident took place. If such a form was completed at the venue, there is a need to place such an occurrence on the record at the 'home' establishment. A general evaluation of the visit is possible, within 28 days, through the EVOVE visit form. This can inform future visits and may be a useful check on the value of the risk assessments undertaken.

Risk Assessment forms should be completed and attached to the Evolve form when risks are perceived as significant. External providers will have their own risk assessment documents that can be used to help in this process. For certain activities an Adventurous Activity Licence is legally required (see www.aala.org.uk). If this is the case, the provider's licence number should be quoted instead of copies of their risk assessment documentation.

Providers that hold a LOTC (Learning Outside the Classroom) Quality Badge have been externally assessed and are acceptable as a 'checked' provider on the EVOLVE site.

Monitoring and Evaluation

This policy was reviewed by the headteacher and Governors in Spring 2021 and will be reviewed every 3 years.
