Dear parents/carers

### **The Platinum Jubilee Celebration**

Thank you so much to all of the families who have already sent their slips back. We currently have over 600 people coming to our celebrations on Friday afternoon. If you have not completed and returned the slip, please do so ASAP, it is so important that we know where every child needs to be on Friday afternoon so that the celebrations are as enjoyable as possible.

Lots of parents have asked if they will be able to be with children if they are different year groups. This will, of course, be possible. We ask all parents to go to the younger sibling's year group area and then the older children will come and find you. Once the children are with you, we are happy for you to move around. We have planned the year group areas to make the initial contact easier. As stated in the previous letter, once all adults are on site the gates will be locked so the site will be secure for our pupils.

As I write this letter, the forecast for Friday looks good. If that changes, we will unfortunately have to cancel the event. As previously stated, with over 600 people coming we would have nowhere to hold the event inside. If this is the case, we would aim to reschedule for after half term, we don't want our bunting going to waste. We would also communicate an option of early collection, because we appreciate that lots of you have taken time off of work to attend.

We are really looking forward to welcoming you all, this is such a wonderful opportunity to rebuild our community after what has been such a challenging 2 years. For some of our families, this will be the first on site event. As stated in the first letter, please bring your own picnic blankets, sun protection, food etc. We will provide music, a rather large field and some fabulous decorations created by our pupils!

Best wishes,

Mr R Leigh and Mrs M Carter
