Dear Parents and Carers

Internet safety briefing for parents and carers

The internet is a wonderful tool but increasingly it can be used and is being used by people to access inappropriate content for children of primary school age. We are also being asked to help resolve an increasing number of internet related matters to deal with in school which have carried over from our pupils' activity on social media and the internet whilst away from school.

To help our parents and carers stay up to date we are holding a number of briefing sessions for parents of children in Years 3 to 6 on **Tuesday, 14th June 2022 at 2.30 p.m. and again at 5 p.m.** Sessions will last for about 45 minutes. We urge you to attend. The sessions use information provided by national internet safety organisations like internetsafety.org and childnet.org and will include information on:

- social media
- grooming
- online bullying
- sexting and nudes
- parental controls
- gaming
- how to report issues

These are parent only sessions and will be supported in the weeks that follow by sessions in class for the children on how to stay safe online. Please confirm your attendance either way by completing and returning the slip below to the school office or to your child's teacher or by emailing office@berewoodprimary.co.uk If you have any questions, please do get in touch.

Yours faithfully,

Mr Ricky Leigh
Headteacher
