

## Berewood Primary School

### End of Key Stage 2 data, 2016

Berewood Primary School opened in September 2014, due to the size of the cohort this data was not published. In 2015-16, 12 pupils were in Year 6, and as one pupil was dis-applied, the information below relates to 11 pupils.

A new national assessment system was introduced during 2015-16, in which children were assessed against the new National Curriculum for the first time. The assessment system did not identify children exceeding end of key stage expectations, other than in writing. The tables below show

- the test results of the pupils in the school,
- the average scaled scores in reading, mathematics and grammar, punctuation and spelling, and
- average progress scores in reading, writing and mathematics
