

Berewood Primary School

A distinctive vision

At Berewood Primary School we see education as a journey of discovery to fire the imagination, to establish a sense of self, and to gain the confidence to take full part in Britain and the wider world.

An ethos of local partnership

Berewood Primary School and the University of Chichester Academy Trust share the belief that education has the power to transform society. Our school is deeply rooted in its locality and encourages the involvement and interest of parents and the community, recognising that strong and vibrant communities have partnership and inclusion at their heart.
