Since our successful Ofsted inspection, we have continued to focus on further improving the quality of our work with your children, and are currently in the process of preparing a strategic plan for the next four years, ensuring that we have the best structures and staffing for our school community when we are a full school of 420 pupils. Your thoughts and comments below will help us to include your priorities in this process. Thank you.

Which current strengths in our school do you consider essential to maintain?

What would you like to see more of over the next phase of our growth?

Is there anything you would wish the school to consider changing in the near future?

Next term we will be revisiting our Home School Agreement. Please note here any comments about things which you think should be included in that shared document.

What else would you like the school to be aware of as part of our annual survey of parent / carer views?

I remind you that you can go on line to the Ofsted Parent View website on www.parentview.ofsted.gov.uk/parent-view-results, and enter the school's name and address, and you will be able to enter your comments about our school there too.

The information you share on this questionnaire will be analysed, shared with the Governing Body and used to inform our future priorities. Further information about this questionnaire, the questions we are asking and, in time, the information we gather, will be found in future editions of the Berewood Bulletin.

Thank you for your time and comments
