

Berewood Primary School

Sports Funding Information 2018-19 and 2017-18 Impact report

At Berewood Primary School we recognise and value the contribution of PE to the health and well-being of our children. We believe that an exciting and varied curriculum with extracurricular opportunities, competition and a shared commitment that sport is for everyone, has a positive influence on the confidence, concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to develop and enrich our provision at a time when we are establishing our curriculum and meeting the needs of a growing school, with a particular emphasis on creating an ethos of maximum participation, engagement, enjoyment, health and well-being and high expectations for all children.

Primary School's Sports Funding

| Total number of pupils on roll | 305 (September 2018) |
| Amount of funding received related to pupil numbers | £3050.00 |
| Total amount of funding expected | £19,050.00 |

Objectives for spending 2018-19

- To enhance the provision of PE at Berewood Primary School
- To ensure that PE provision is judged as at least good
- To maximise participation and broaden the sporting opportunities and experiences available to children in a growing school
- To foster a love of sport and physical activity
- To enhance pupil access to and raised awareness of, local sports events, opportunities and locations
- To increase the facilities and resources available for PE
- To support teacher CPD in teaching high quality PE across the sports curriculum
- To build on the Olympic Legacy from Rio, Summer 2016

Nature of support 2018-19

The funding received from Sports Funding will be allocated in the following ways:

- Participation in school inter school sports events e.g. Havant Academy Games Competition
- Participation in extracurricular activities e.g. Multi-skills Sports Club
- Focused PE support / coaching e.g. Cricket lessons in KS2
- Access to swimming lessons and Waterloo Leisure Centre
- Purchase additional sports equipment and resources
- Developing internal school sports events, including House and year group competitions
- Developing sportsmanship qualities and building on the Olympic and Paralympic Legacy
- Participation in intra school sports through internal competitions, Houses and annual sports day
- Specific PE skills training and development for staff

Curriculum focus of Sports Funding 2018-19

The curriculum focus will be to:

- Increase pupil engagement in school activities (representing the school, focused sports activities)
- Increase pupil participation in sports learning activities (sports activities, representing the school)
- Build confidence and self esteem to enhance skills in all areas of school life (targeted and positive additional focused PE)
- Increase well-being and health (clubs, sports events)
- Increase sports skills across the PE curriculum
- Improve the health and well-being of all pupils
- Improve children's understanding of how their bodies work and the importance of physical exercise to a healthy lifestyle

Impact of Sports Funding expenditure 2017-18

Participation in school inter school sports events e.g. Havant Academy Games Competition

Impact:

- Increased engagement with local school community, participating in over many tournaments in different sports (e.g. Chance to Shine programme for cricket)
- Developed sense of competition and competitiveness
- Improved team spirit and sportsmanship behaviours
- Facilitated excellence as well as participation for all, with success in many tournaments and enabling the most skilled children to experience challenge in competition
- Growing awareness of the opportunities for sports activities and clubs beyond the school
- Built a sense of personal commitment to achievement in sports

Participation in extracurricular activities e.g. Multi-skills Sports Club

Impact:

- Access to high quality coaching
- Small, focused group and individual skills development
- Access to different sports and sporting skills
- Improved health and well-being for attending pupils
- Improved attendance of targeted pupils
- Outdoor adventurous activities at University of Chichester enabled children to be challenged and experience new sports and activities
- Cycling skills developed through Bikeability, and further supported through Walk to School Week, Scoot from the Boot, Be Bright Be Seen, and Travel Plan assemblies
